Greetings from the Central Railroad Festival Committee!

The Central Railroad Festival Committee is busy making plans for the 2019 Central Railroad Festival and we want to say **THANK YOU** for being a Sponsor of last year's event. We hope you will want to continue to partner with us as we present the biggest family festival in the Town of Central. We're planning an exciting day that features great food, live entertainment, arts and crafts, games and activities, tours of historic sites and a dazzling display of miniature railroad exhibits by the Central Railway Model and Historical Association.

One of the unique features of the Central Railroad Festival is that all of the children's activities are **free of charge to attendees!** This makes it a highly attractive event for families with small children . . . and we see thousands of them. **To be able to continue this great day of family fun and entertainment we need your help!**

We hope you will consider sponsoring this great family-friendly, community-wide event again in 2019. Your generous support will be appreciated by the Festival Committee and the thousands of people who attend each year. If you have any questions, contact Kathryn Campbell or Noreene Billado at the Clemson Area Chamber.

We look forward to seeing you and your family at the 2019 Central Railroad Festival on Saturday, April 27, in downtown Central!

Sincerely,

Central Railroad Festival Committee

David C. Lane, Chair
